

2021 HKAPA INFO DAY 演藝課程資訊日

16.10.2021 10AM - 4PM

The Hong Kong Academy for Performing Arts (HKAPA) Info Day 2021 was successfully held on 16 October with nearly 800 aspiring young performing artists attended the occasion on campus and online.

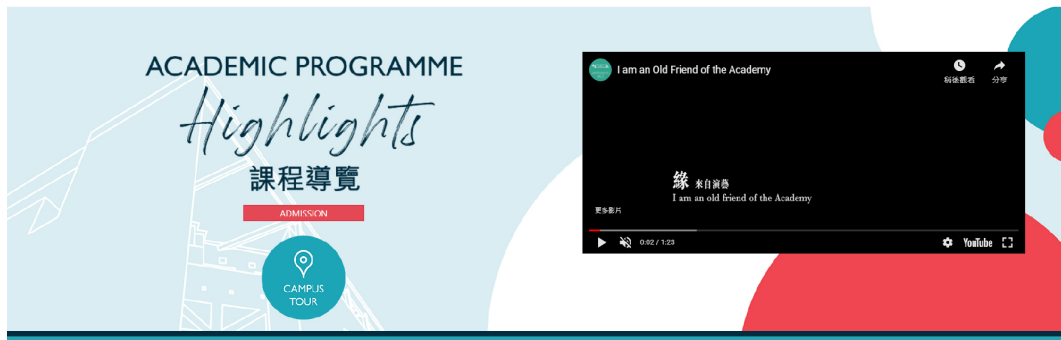

At the on-campus Info Day, hundreds of prospective students filled up the Amphitheatre for the General Admission Talk. Our Director Professor Choa delivered her welcoming remarks, followed by the presentations by our Registrar on our programmes and our Head of Student Affairs on scholarship opportunities. After the informative sessions, the participants attended the talks by the six Schools. Their enthusiasm for performing arts was evident in their attentiveness and active participation.

As a new initiative to reach a wider audience, notable alumnus DJ Barry Ip was invited to host a campus tour which was live streamed on Metro Broadcast's Facebook page. Barry visited different venues and talked with the faculty of all six Schools. It gave the online audience an immersive and interactive experience of the Info Day in any part of the world. Some overseas alumni also shared the live stream on social media to show their support. Please [click here](#) to watch the video on Facebook (from 15'34'').
